(Family and Medical Leave Act, as made applicable by the
Congressional Accountability Act)

Form F

Notice to the EMPLOYING OFFICE

INSTRUCTIONS to the EMPLOYING OFFICE: The Family and Medical Leave Act (FMLA), as made applicable by the Congressional Accountability Act (CAA), provides that an employing office may require an employee seeking FMLA leave due to a serious injury or illness of a current servicemember to submit a certification providing sufficient facts to support the request for leave. Your response is voluntary. While you are not required to use this form, you may not ask the employee to provide more information than allowed under the FMLA regulations issued by the Office of Compliance (OOC) Board of Directors (the Board) at 825.310. Employing offices must generally maintain records and documents relating to medical certifications, recertifications, or medical histories of employees or employees' family members created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files, if the Americans with Disabilities Act and/or the Genetic Information Nondiscrimination Act apply, as made applicable by the CAA.

**SECTION I: For Completion by the EMPLOYEE and/or the CURRENT
SERVICEMEMBER for whom the Employee is Requesting Leave**

INSTRUCTIONS to the EMPLOYEE or CURRENT SERVICEMEMBER: Please complete Section I before having Section II completed. The FMLA, as made applicable by the CAA, permits an employing office to require that an employee submit a timely, complete, and sufficient certification to support a request for FMLA leave due to a serious injury or illness of a servicemember. If requested by the employing office, your response is required to obtain or retain the benefit of FMLA-protected leave. Failure to do so may result in a denial of an employee's FMLA request. Board's regulations at 825.310(g)

The employing office must give an employee at least 15 calendar days to return this form to the employing office.

**SECTION II: For Completion by a UNITED STATES DEPARTMENT OF DEFENSE
("DOD") HEALTH CARE PROVIDER or a HEALTH CARE PROVIDER who is either:
(1) a United States Department of Veterans Affairs ("VA") health care provider; (2) a DOD
TRICARE network authorized private health care provider; (3) a DOD non-network
TRICARE authorized private health care provider; or (4) a health care provider as defined
in the OOC regulations at 825.125.**

INSTRUCTIONS to the HEALTH CARE PROVIDER: The employee listed on Page 2 has requested leave under the FMLA, as made applicable by the CAA, to care for a family member who is a current member of the Regular Armed Forces, the National Guard, or the Reserves who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness. For purposes of FMLA leave, a serious injury or illness is one that was incurred in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating.

A complete and sufficient certification to support a request for FMLA leave due to a covered servicemember's serious injury or illness includes written documentation confirming that the servicemember's injury or illness was incurred in the line of duty on active duty or if not, that the current servicemember's injury or illness existed before

the beginning of the servicemember's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces, and that the current servicemember is undergoing treatment for such injury or illness by a health care provider listed above. Answer, fully and completely, all applicable parts. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the servicemember's condition for which the employee is seeking leave. Do not provide information about genetic tests, as defined in 29 C.F.R. §1635.3(f), or genetic services, as defined in 29 C.F.R. §1635.3(e).

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits us from requesting/ requiring genetic information of an individual or family member of the individual, except as specifically allowed by GINA. We ask that you not provide any genetic information when responding to this request for medical information. "Genetic information" includes an individual's family medical history, results of genetic tests, the fact that an individual or an individual/family member sought or received genetic services and genetic information of a fetus carried by an individual /family member/embryo lawfully held by an individual/family member receiving assistive reproductive services.
