Instructions for filling out numbered boxes

#1. If you wish to remain anonymous, please check the appropriate box on the form. Your name will not be revealed to anyone outside of the OCWR, unless the OCWR is explicitly notified in writing. There may be reasons to later decide to waive anonymity even though you initially requested it on the form. For example, if you are a person with a disability who is seeking redress for a particular incident where access was denied to you, although you initially requested anonymity, you may later decide to authorize the OCWR to reveal your name to the entity who denied you access in order to obtain the relief you are requesting.

#4A. Please indicate the name of the office providing the program, service, activity, or accommodation. If the problem encountered is related to a physical barrier existing in a facility, name the office responsible for furnishing, designing, and maintaining the facility, if known. If you do not know the name of the responsible office(s), you may leave this section blank, and the OCWR will determine the responsible office(s) based upon the other information provided.

#5. If the responsible office is aware of the problems encountered, please answer this question “yes,” identify who you contacted, how you made contact (i.e., in person or by telephone, e-mail, or letter), and describe what information you provided and what information was provided to you.
